

## **Vision Statement**

Sarita Shaw

As a leading learner , I seek to provide a productive environment for the members of my school community to grow in achievement and discernment . I will promote student achievement through a unified approach to equitable access to the curriculum and the continuous development of educators . I am committed to leading with understanding and justice while students remain at the heart of every decision . Trust, purpose, and belonging for every student will offer opportunities for students to freely attain life-long success with confidence.
